West Pennant Hills NSW 2154

Dear Khursheed and Kaizad

It is my pleasure to advise that the Sydney Head and Neck Cancer Institute Bollywood Night held on Saturday 29 May was a great success raising \$50,000. I particularly want to thank Bollywood Sensations for donating your time to perform for our guests.

We do not have many sources of income and rely heavily on the funds raised at this annual fundraising event to accomplish our goal of improving treatment outcomes for patients suffering from tumours of the head and neck.

SHNCI is currently in the final stages of employing a second Clinical Nurse Consultant and the money to do this comes directly from donations and our fundraising efforts, so your support does make a very real difference to patients being treated for head and neck cancer.

Once again, thank you for your support.

Kind regards

Dr Kerwin Shannon MBBS FRACS  
**Director, Sydney Head and Neck Cancer Institute**
